style your smile

May 2016

Welcome to our Blog for the latest news and trends happening at
CAHI DENTAL AND PROSTHODONTIC PRACTICE.

We are so excited to welcome Dr Chelsea Cahi BDS (WITS) to CAHI DENTAL AND PROSTHODONTIC PRACTICE. Chelsea joined us with a fresh burst of energy and enthusiasm and is already making her mark especially with all our little ones.

Our practice now offers a NEW SERVICE introduced by Dr Chelsea Cahi. Please call Berry on 011 3059300 for our OPENING SPECIALS on all non- surgical facial aesthetics e.g.: wrinkle reduction, fuller lips and a fresher look to compliment your new Brighter Whiter SMILE!

We are happy to announce that we are growing and expanding and now offer all our excellent services and products at our rooms in PARKTOWN NORTH.
